COMPETITION RULES

1. General Rules

- a) All non-professional choirs are welcome to compete in this event. With the exception of the conductors, its members must all be amateurs, e.g. they are not allowed to earn their livelihood by professional singing.
- b) In categories with age limits, a maximum of 20% of the members may exceed the age limit by 5 years.
The organizers reserve the right to check the ages of the singers.
- c) The order of performances within a category is scheduled at random.

2. Multiple Participation

Per part of the event choirs and conductors may enter in a maximum of two activities. This applies also to conductors that participate as a singer with another choir. The organizers will make every effort to schedule all activities. If it is impossible to accommodate all categories due to scheduling reasons, the fees for those unscheduled activities will be refunded.

a) Possibilities of participation

Category	Detail
1-6	Choirs may participate in only one of these categories.
7-14	Choirs may choose from these categories independent of participation in categories 1-6.

- b) INDIVIDUAL CHOIR MEMBERS may participate in smaller ensembles formed out of their primary choir but may NOT sing in more than one primary choir (e.g., a singer may not perform in two or more independent mixed choirs).
- c) CONDUCTORS are permitted to conduct only one choir per category, however conducting in different categories is allowed. A choir may also perform with several conductors.
- d) Choirs participating in multiple categories have to register all categories on the same level (The Open Competition OR The Champions Competition).

- 3. Music**
- a) The Artistic Committee decides on the admission of the program to the competition. The approval of the Artistic Committee is usually not given when it comes to opera choirs or when the character of the composition conflicts with a choral interpretation (such as “Nabucco - Prisoners’ Choir” by Giuseppe Verdi edited for children’s voices, “Träumerei” by Robert Schumann edited for choir). In addition, none of the programs may include topics such as war or glorification of violence and may not be against other nations and nationalities.
 - b) In The Champions Competition only ORIGINAL ACCOMPANIMENTS are permitted, which means that any reductions in orchestration or transcriptions of other instruments that were not planned by the composer and do not have an accepted performance tradition are excluded from the competition.
 - c) ACCOMPANIMENT means that at least one tuned instrument is used. In categories requiring a cappella selections, only not tuned instruments may be used (percussion instruments).
 - d) The use of ORIGINAL COMPOSITIONS means that a piece must be performed in accordance with the composer’s original score. Compositions prior to and through the Baroque era may be performed in variations of scoring that correspond with the original musical material. The arrangement of a composition is permitted if it has led to a new composition. The Artistic Committee reserves the right to reject compositions.
 - e) USE OF AMPLIFICATION: In case the amplification of voices and instruments is permitted, basic technical equipment and backline will be provided by the organizer. Each choir must submit technical requirements of their performance with their registration form. If these instructions are not submitted, the organizers will not accept responsibility for the production of such instructions. Technically complex requirements, such as the provision of solo mics or headsets for the whole choir cannot be guaranteed. In category Jazz & Pop Choirs, only general choir amplification and a limited number of solo mics will be provided.
 - f) CHANGES OF KEY: The jury must be informed in writing if a choir wishes to change the key from what is written in the printed score prior to the competition.
 - g) After APPROVAL OF PROPOSED PROGRAM by the Artistic Committee, it will be returned for final review and confirmation by the respective choir. The choir must respond within 14 days of delivery with any changes to the program. If there is no response within 14 days, the program will be considered final; therefore neither titles nor performance order may be changed. Changes made without informing the organizer will result in a disqualification. Choirs are responsible for possible performing rights of their program.
 - h) ACTUAL SINGING TIME: Actual singing time is the duration of the performance time only. It excludes entrance, exit, and applause.

COMPETITION RULES

- i) PROGRAMS IN MULTIPLE CATEGORIES: Choirs may NOT sing the same pieces in different categories. - Separate repertoire pages should be filled out for each category of competition for registration.
- j) Some categories require a composition which does not originate in the COUNTRY, REGIONAL LANGUAGE OR CULTURAL GROUP of the participating choir.
Examples of compliance:
 - Choirs from English-speaking countries should choose compositions written in a different language.
 - A Choir from a Baltic Country (Latvia, Lithuania, and Estonia) should not sing a composition from another Baltic country even if the two countries naturally have different cultures and languages.
 - A choir from a Slavic country should not select a work from another Slavic nation, even if the two countries naturally have different cultures and languages.
 - A choir from Latin and South America should select a piece that does not come from the same region.
- k) The World Choir Games follow the ideas and goals of the Olympic ideal. None of the programs listed may include war or glorify violence or content directed against other nations and nationalities. Moreover, the World Choir Games are politically non-party and neutral. Any statement by words or actions which could include political conflict potential is prohibited. At the official events of the World Choir Games (e.g. competitions, Awards Ceremonies, Parade of Nations) only flags and anthems of those States are permitted, that are officially recognized by the United Nations.

- 4. Sheet Music**
- a) For The Open Competition five scores and for The Champions Competition seven scores of every composition must be submitted with the registration forms.
 - b) Scores submitted must conform to internationally recognized sheet music standards (five lines of notes).
 - c) Scores that do not bear the titles, names of composers etc. printed in the Roman alphabet must bear a transcription into the Roman alphabet (clear handwritten notes suffice).
 - d) One score remains with the organizer after the competition. Remaining scores may be collected from the organizer after the awards ceremony. Uncollected scores will not be sent by mail.
 - e) No scores have to be submitted for Celebration or Friendship Concerts.
 - f) Please note that published choral compositions may only be sung using the original scores or authorized copies. The use of unauthorized copies or handwritten copies is not allowed! All scores must be sent by mail as hardcopy. Scores sent as files (PDF or similar) will not be accepted.

THE CHAMPIONS COMPETITION

JURY AND COMPETITION EVALUATION

1. A jury consisting of seven international choral experts evaluates the competition.
2. The decisions of the jury cannot be contested.
3. The evaluation of the competition is based on the Evaluation System of the World Choir Games.
In competition the performance of every composition will be evaluated according to the following:
 - I) Technical Evaluation
 - a) Intonation
 - b) Sound quality of the choir
 - II) Artistic Evaluation
 - c1) Fidelity to the score (in general categories)
 - c2) Interpretation practice (in Jazz, Pop categories Music of Spirit and Faith)

Using the points given, an intermediate average is determined for the overall technical evaluation (I) and for the overall artistic evaluation (II). The final score given by each individual adjudicator is made up of the total of these intermediate average figures
5. The final result is made up of the total of all final scores of the adjudicators. The lowest and highest figure will be disregarded.

THE CHAMPIONS COMPETITION

Example of a score sheet:

		a)	b)	c)	d)

adjudicator 1 16,88	adjudicator 2 17,54	adjudicator 3 15,34	adjudicator 4 18,01	adjudicator 5 16,21	adjudicator 6 14,01	adjudicator 7 17,67
------------------------	------------------------	------------------------	-------------------------------	------------------------	-------------------------------	------------------------

The scores of adjudicator 4 (highest score) and adjudicator 6 (lowest score) are disregarded. The total score will be made up from the remaining scores. In this case the choir will be awarded a Gold Medal with a total of 83.64 points.

In categories for which the number of pieces is not determined, the jury will evaluate only the overall performance according to the above mentioned criteria.
